# **VIRTUAL CLASS SYSTEM**

## OVERVIEW

As technology continues to transform all areas of life, teaching and learning online poses new challenges for both educators and students. And while technology can connect us in ways previously unimagined, it's harder than ever to grab and maintain student attention in a classroom. In this age of distraction, a generic web conferencing system falls far short of the needs of teachers and students.

## FEATURES / FUNCTION

Documents Upload	Whiteboard	Breakout Rooms
Video Options	Chat	Polling
Multi-User Whiteboard	Shared Notes	Screen Share
Emojis	Video Share	Hand Rise
