

TOMCAR®

ANYWHERE AND BACK™

INTRODUCING THE ALL NEW
TOMCAR TX

” RIDICULOUSLY CAPABLE

“The Tomcar TX bridges the gap between traditional truck-like 4X4s and lighter-duty ATV-based side-by-sides to deliver a ridiculously capable and fun ride.”

-POPULAR MECHANICS

” A NEW BENCHMARK

“[The] TOMCAR TX just gave us the new benchmark for all-terrain vehicles. This off-road wonder demonstrated an insatiable appetite for the roughest conditions”

-ROBB REPORT

” BEAUTIFULLY CRAFTED

“I can't tell you how amazing this beautifully crafted and engineered off-road machine is. It seems to flatten any type of terrain unlucky enough to get in its path.”

-ATV ACTION MAGAZINE

Conceptualized on the battlefield with military DNA, TOMCAR all-terrain vehicles are uniquely engineered to be extremely durable, exceptionally dependable, highly functional, and strongest in class for commercial/fleet applications. Over the last three decades, TOMCAR has combined all of the best aspects of ATVs, UTVs, and pick-up trucks into one product that can get you and your payload Anywhere And Back.

SPECIFICATIONS

DIMENSIONS & WEIGHT

- Length/Width/Height: 403.8/182.8/172.7 cm
- Wheel-Base: 305cm
- Ground Clearance: 48.2cm
- Tires Size: 265/75/16
- Top Speed: 105km/hr
- Cargo Box Rear: 175cm/178cm
- Curb Weight: 1,225 kg
- Turning radius: 8 meter

GAS POWERTRAIN

- Engine: General Motors 1.5L Turbo
- Engine Type: 4 Cyl. / dual overhead cams
- Max Power RPM: 163HP @ 5,700 RPM
- Torque: 184lbs @ 2,500-3,000 RPM
- Cooling System: Liquid Cooled

ELECTRIC POWERTRAIN

- Motor: 3 Phase AC Motor
- Max Power: 120HP
- Torque: 178lbs @ 3,000 RPM
- Range: Appx 100 miles

TRANSMISSION

- On-the-Fly 2WD/4WD Engagement CVT: Heavy Duty, Sealed
- Transfer Case: High / Low / Reverse Rear/Front Differentials
- Pneumatic Locker: 2.83 Ratio
